

School Board Governance

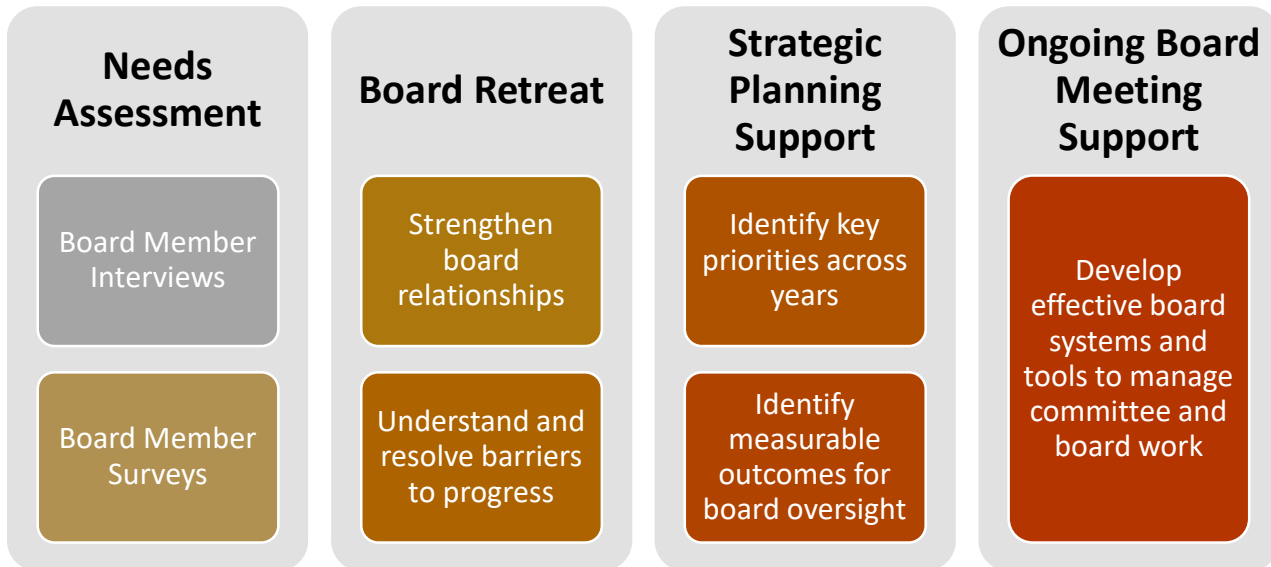

School Board members are responsible for setting the board's strategic direction, establishing board policies, allocating resources, engaging with stakeholders and holding the school leader accountable. Breakthrough Leadership Consulting supports school boards in developing the mindset, systems and practices for good governance.

With Breakthrough's support, Board members:

- ❖ Understand roles and responsibilities,
- ❖ Articulate a common vision for excellence and impact
- ❖ Understand the distinction between governance and management
- ❖ Plan for school leader support and oversight
- ❖ Understand relevant New York State laws and regulations

Our Approach

Breakthrough supports school boards in various stages of growth. Our engagements consist of the following:

About Breakthrough Leadership Consulting

Breakthrough Leadership Consulting was founded to help public sector leaders look at their challenges and approach their work differently. Our mission is to transmit each community stronger than before by building the capacity of leaders and citizens to create breakthrough results together. Our breakthrough is about process. In the diverse communities that exist today--bringing many voices to the table to both assess and address strengths and challenges is key for positive and sustainable solutions.
